- The Expo will be an intimate show where Attendees must walk through the Expo area to get to and from the main Education area. We are offering two types of exhibit spaces: Tabletop and Vignette.
- Each Tabletop exhibit space is 10' wide x 6' deep and will come with a draped 72" x 30" table and one chair, both of which can be refused if not needed.

- If you would like more space than afforded by a Tabletop or Vignette exhibit space, you may purchase multiple Tabletop or Vignette exhibit space, which we will locate next to one another.
- Neither Tabletop nor Vignette spaces include flooring. You may either bring your own flooring or order through GES. (Flooring is not required, but it is encouraged for the comfort of your staff and visitors to your booth since the Expo floor is concrete.)
